Tailor-made services for the benefit of your image
PRESTIGIOUS ENHANCEMENT OF YOUR PRODUCTS

Thanks to their range of metal merchandising articles, Huguenin-Sandoz enable you to convey an image consistent with your brand and your products. In a shop, in the window, on exhibition stands and in your own premises, desired image and perceived image are all one. Because each brand is unique, we develop personalised solutions. In this way, they bring strong added value to your products.

For you, as for us, every detail counts. So nothing is left to chance: high-quality finishes, precision, attention to detail, personalisation. Since most purchasing decisions are made at the point of sale, your brand must stand out clearly from the others and be consistent with the image that you want to create.

Arouse the urge and the desire to buy using our plates, cut lettering, watch stands and other promotional items. Cover your boxes and gift cases in quality materials: cut lettering / symbols, silk-sreen printed / engraved plates.

Huguenin-Sandoz, because your requirements are the same as ours!

Give your products a world of their own; a brand environment in step with your company culture and marketing policy.
AN EXPERIENCED TEAM AT YOUR SERVICE

Our various skills are the result of managing knowledge and know-how handed down since the founding of Huguenin-Sandoz in 1923.

Since your position in the market is driving you to innovate frequently, we know how to support you. We offer you the option of researching your project and developing the necessary techniques to carry it out.

Precise analysis of expectations and possibilities is part of our service. Following a feasibility study, our engineering development office creates solutions based on your needs.

If you wish, we’ll make a prototype for you. This will enable you to confirm your choice or to make the necessary changes before going to full scale production.

For You, a Company careful to create a prestigious image
A RANGE OF CUSTOM-MADE OR PERSONALISED PRODUCTS...
Our range is built around two approaches:
- A range of «standard» products that can be personalised according to your wishes
- The design and fabrication of your own POS display ideas, designed exclusively to order.

With our range of machines, our know-how and our development capability, we can make a wide variety of products and innovate continuously.

...FOR COMPANIES FROM VARIOUS MARKETS
Any company preoccupied with creating a prestigious image can call on our services. In particular the following markets form part of our clientele:

Watch-making and jewellery / Fashion / Sport / Leather goods and luggage / Furniture manufacture / Manufacture of boxes and gift cases / Perfumes and Cosmetics / Building / Architecture / Banking / Retail / Advertising agencies, etc.

We also work indirectly with well-known brands, through decorators or designers.
PERSONALISED BUSINESS GIFTS
Do you need out-of-the-ordinary gifts for your customers, business relationships and/or employees? We offer you gift to personalise. We can also design your own gift, created to order according to your needs.

«Customising» articles such as notepad-holders, key-rings, pens, letter-openers, cuff-links and tie-pins, or ask us for the metal object of your choice. One gift suggestion: a silk-screen printed and/or engraved plate to fix on the box or gift case for your gift!

TOP-QUALITY SIGNS
Hotels, restaurants and other prestigious buildings require appropriate signs. For such buildings, using a material as noble as brass allows you to enhance your business in a fitting manner.

Cut-out symbols, engraved or silk-screen printed plates, door fixtures and other metallic objects are all available from Huguenin-Sandoz.
TRADITION AND KNOW-HOW

Thanks to our cutting out, mechanics, galvanoplasty, polishing, silk-screen printing and painting experts, we can handle the entire manufacturing process. We guarantee the quality of our products, we meet delivery deadlines and we respect the confidentiality of your projects. Production takes place entirely in Switzerland, in our premises at Colombier (NE). In this way you benefit from various advantages associated with our proximity and responsiveness. You can also promote the «Swiss made» label across the world with your business partners.

Huguenin-Sandoz is a company founded in 1923. Their principle business is the manufacture of finished products intended to build and maintain the image of brands and their products. In this context, the company designs a wide variety of items in noble metals (brass, aluminium or other innovative materials).

Huguenin-Sandoz handle production from A to Z thanks to their many in-house capabilities. Their wide range of crafts is also used for sub-contracting for industrial companies.

The impeccable quality of Huguenin-Sandoz business activities comes from its values:

«Requirement for perfection, thoroughness, attention to detail, precision, confidence and openness»
