## Huguenin-Sandoz

Huguenin-Sandoz is a company founded in 1923. Apart from sub-contracting, the company's principle business is the manufacture of finished products intended to build and maintain the image of brands and their products. In this context, the company designs a wide variety of items in noble metals (brass, aluminium or other innovative materials), divided into different categories.

### PRODUCT CATEGORIES:

#### BRAND IDENTIFICATION

- Cut lettering/ logos
- Engraved and/or silk-screen printed plates

#### PRODUCT STANDS

- Watch stands
- Ring stands

#### PROMOTIONAL ITEMS

- Advertising items: catalogue-holders, mirrors, badges for sales'staff, pins, etc.
- Business gifts: notepad-holders, letter-openers, paper-weights, key-rings, cuff-links, etc

#### WINDOW SIGNS
